DESCRIPTION

Farmhouse for sale in Osnago in Brianza with park of 9,500 sqm

Farmhouse for sale in Osnago in Brianza with park of 9,500 sqm. We are in the Curone Park in the heart of Brianza. The 1850 farmhouse has been renovated. The 700 sq m commercial property for sale today is used for private events and celebrations and corporate events. For those who are looking for a facility to be used for commercial purposes, this property represents an excellent investment. In fact, no work is required on the building. The real estate offers the opportunity to be transformed into an exclusive residence. Thanks to the privileged location in the heart of Brianza, the tranquility of the area and the natural beauty that surrounds it, this renovated farmhouse is perfect to become a prestigious home. With spacious rooms, high ceilings and original architectural details, the property easily lends itself to a conversion into residential, maintaining the historic charm of the farmhouse and integrating it with modern comforts. The large indoor and outdoor spaces,

such as the garden and surrounding green areas, offer endless possibilities to create an exclusive home immersed in nature. This renovated farmhouse represents an ideal solution for those looking for a charming home in Brianza, far from the city chaos but well connected to the main urban centers. In addition, the prestige of the renovation already carried out eliminates the need for structural work, allowing you to customize the spaces according to your needs. The property is arranged on the floors: ground, first, basement. The ground floor is intended for commercial and houses: the living room with stone fireplace, the bar area, the professional kitchen, the dehor of about 100 square meters. The second floor has residential destination with possibility of change to commercial use. In the basement: services, rooms 50 sq.m. with permanence of people, a tavern connected by elevator to the ground floor, warehouse with garage. Park of 9,500 sq.m.
