PRESTIGIOUS AND DESIGNER SEA VIEW PENTHOUSE

Imagine waking up every day with the sea in front of you, as if you were on a cruise ship. A prestigious palace, a unique location, a view that seems painted. This extraordinary apartment, located inside an Italian Historical Dwelling, combines refined design, fine materials and modern comforts. Every detail has been taken care of to create an exclusive and enveloping environment, where the sea enters from every window and accompanies you in every room. The property is completed by a precious carpet, a true luxury in the historic center. POSITION In the heart of Piombino, between its marina and Piazza Bovio, the apartment enjoys a unique location, immersed in the medieval charm of the historic center and with unparalleled views of the sea. Stepping out of the house, within a few steps one is immersed in the beauty of the town's historic center, a charming old town that retains its medieval character

with picturesque views and a lively maritime atmosphere. This prestigious building directly overlooking the sea, gives us a unique and evocative location. Piombino is the gateway to the Island of Elba, reachable in just 40/60 minutes by ferry, and is only 110 km from the international airport of Pisa, making it a strategic and well-connected destination for frequent travelers. DESCRIPTION Past the entrance, the light and the sea envelop every space. Wooden parquet flooring runs throughout the rooms, giving continuity and timeless elegance, while the large windows allow guests to enjoy breathtaking views that change with the passing hours, offering unforgettable sunsets. The dining room is a room with attention to detail, featuring a striking exposed brick wall that gives warmth and character. The space is ideal for entertaining guests or for romantic dinners, with the sea always the protagonist...
