DESCRIPTION

BEAUTIFUL VILLA A FEW STEPS FROM THE SEA

This charming Caribbean villa is located within an exclusive residential project. The house is comfortable and in complete harmony with nature, tastefully furnished and carefully maintained. Ideal for year-round living, vacation or as a rental investment. The house is developed on one floor, very beautiful and spacious, in classic Caribbean style, with traditional mahogany louvered windows, vaulted ceilings and terracotta floors. The spacious living room has 4 floor-to-ceiling windows and double doors leading to the gazebo, back garden and pool. The spacious master bedroom, with a California-style king-size bed, opens directly onto the garden and pool. It has a walk-in closet and bathroom

with elegant geometric Moroccan tiles, a bathtub with shower and double sinks. There are two more bedrooms and an additional bathroom, contemporary in style. The open kitchen joins a large living room. A lovely gazebo overlooks the pool and gardens, comfortably furnished as an outdoor "living room" with sofas for relaxing and dining area. The garden is a special feature: large, private and with expanses of lawn, many mature plants and numerous palm trees, with a lovely pool and terrace as a focal point. Poolside shower. The property lot is 2568 sq. m. Architect's plans are available, showing how it is possible to transform the house into one with 5 bedrooms and 5 bathrooms.
