DESCRIPTION

Panoramic estate with large land and ancient olive trees

Nestled in the quiet of the Gallurese countryside, this splendid panoramic estate represents an exclusive retreat where nature blends with the comfort and beauty of authentic living. The landscape, punctuated by rolling hills and ancient olive groves, creates an atmosphere of absolute peace, just minutes from the conveniences of the city. The property covers about six hectares of land, a private oasis that holds a manicured orchard and more than one hundred and fifty centuries-old olive trees. Two independent residences rise harmoniously within the park: warm and welcoming spaces, characterized by exposed wooden beams, fireplaces and large openings that offer

enchanting views of the countryside. Each room tells the story of the constant dialogue between rural architecture and contemporary comfort. A practical tool shed and vast outdoor areas that invite you to experience the slow and regenerating rhythm of nature complete the estate. It is the ideal choice for those who want a private residence surrounded by greenery or for those who dream of setting up an agritourism business with an authentic and refined style. Just a few minutes away are the crystal clear sea and the most evocative beaches of the coast, while the proximity to the main connections guarantees convenience without sacrificing privacy...
