DESCRIPTION

Prestigious penthouse in Capo d'Orlando with breathtaking views of the Aeolian Islands

Sicily - maritime and tourist resort, in one of the most beautiful and scenic residential areas of Capo d'Orlando rises between the elegance of the modern, the charm of the sea, the quiet of the hill, a newly built penthouse that combines contemporary design, comfort and a breathtaking view. Immersed in the tranquility of Contrada San Martino, the penthouse enjoys a privileged location: reserved and quiet, but a few minutes from the center, the marina and the most suggestive beaches. The property, located on the second floor with elevator, is about 155 square meters. The rooms, bright and well distributed, include a living area with open kitchen,

cozy bedrooms and a bathroom with modern lines. Absolute protagonists are the panoramic terraces of circa 50 square meters, an oasis of peace and beauty where to live moments of relaxation and conviviality with a view that excites every day. Complete the property an assigned parking space, the option to purchase the basement floor of about 15 square meters, ideal for those who want more space or customized solutions. A refined retreat, designed for those seeking an exclusive home, where the quality of construction meets the harmony of the landscape and the authentic charm of the sea of Capo d'Orlando. Floor plans and site visits.
