DESCRIPTION

High-quality, designer penthouse with large terrace and sea view in the heart of Genoa

An unparalleled living experience. In the heart of Piazza Rossetti, overlooking the new Waterfront of Genoa, stands this exclusive penthouse located on the eleventh and top floor of an elegant building served by an elevator. A unique context, where sea, sky and city come together in an extraordinary panorama that embraces the entire gulf and the surrounding hills. The apartment, finely renovated with materials of the highest quality, stands out for its refinement and brightness. The interiors, with attention to the smallest details, are divided into a large double living room, a panoramic dining room, a custom-made

kitchen with marble countertop, three bedrooms, two elegant bathrooms, and a laundry area. The real protagonist is the imposing terrace on the floor, which surrounds the entire apartment giving a breathtaking 360-degree view of the sea and the mountains: an ideal space for outdoor breakfasts, moments of relaxation or elegant evenings under the stars. Completing the property is a private wine cellar and superior finishes, such as fine parquet floors and marble details. A penthouse designed for those who want to experience elegance with a view, in one of the most coveted and scenic areas of the city.
