DESCRIPTION

Detached villa among the scents of the Ligurian hinterland

Set in one of the most authentic corners of the Finalese hinterland, the villa rises gently among the hills of Gorra, enveloped in the scents and colors of nature. The large living room with open kitchen is the bright heart of the house, open to the garden and in continuous dialogue with the surrounding greenery, while the bedrooms and the bathroom offer cozy and serene spaces. From the hall, a staircase leads to the attic, a versatile little retreat where you can lose yourself in reading, creativity or your own

thoughts. Outside, the garden unveils a pure wellness corner with a jacuzzi, ideal for moments of relaxation under the clear hillside sky, and a kitchen equipped with a grill to enjoy lunches and dinners surrounded by the greenery and scents of the Mediterranean scrub. The surrounding land amplifies the sense of freedom, and walking, hiking and mountain biking trails complement the landscape, making it a precious refuge for those who love peace, nature and the authentic harmony of the Ligurian countryside.
