Masterpiece Penthouse Signed by Zaha Hadid with Total 360° View of Miami

Experience the highest expression of contemporary ultra-luxury in this extraordinary, fully renovated penthouse within the iconic One Thousand Museum, an architectural masterpiece by Zaha Hadid. Two expertly combined residences occupy the entire 51st floor, offering an exceptional 9.900 sq. m. and 360-degree panoramic views, from sunrise to sunset, of Biscayne Bay, Miami Beach, the Atlantic Ocean and the urban skyline. A private elevator leads directly to a spectacular Great Room, designed for maximum entertainment, with expansive living areas, custom-built bars and a bayfront terrace of more than 110 sq. m., an authentic stage suspended over the sea. The interiors express sophisticated elegance through fine stone floors, designer wood elements, artistic wallpapers and carefully designed

dramatic lighting. The chef's kitchen is a masterpiece of functionality and style, equipped with ultra-high-end Gaggenau appliances and a dedicated pantry. The residence offers 6 bedrooms and 6 1/2 baths, including a resort-level master suite with dual walk-in closets, whirlpool tub, spa-like bath and direct access to the terrace. Completing the property is a cinema room, a family/media room with sunset terrace, five additional bedrooms with en-suite bathrooms, including a staff room, and parking for 4 cars. Residents enjoy exclusive world-class amenities in one of the most recognizable and celebrated buildings in the world. An iconic residence intended for those seeking absolute uniqueness, collectible architecture and an uncompromising lifestyle in the heart of Miami.
