DESCRIPTION

Four-room apartment for sale in Bergeggi, Liguria

Four-room apartment for sale in Bergeggi, Liguria - In the prestigious Castle of Bergeggi, we offer for sale a master apartment overlooking the sea, located on the first floor, with triple exposure to South/East/West, having a courtyard with its own garden, surrounded by the walls of the castle. With beautiful frescoed ceilings, the property measures about 140 square meters and is composed as follows: entrance hall, living room, study, dining room, kitchen, hallway, two double bedrooms,

two bathrooms. From every window you can enjoy a charming sea view, mixed with the typical vegetation of the place. A space is available to park a car, in an area for condominium use. The fine finishes and the excellent state of maintenance do not require special renovation work. This beautiful historic home is an excellent retreat for those who wish to live or spend their vacations in a pleasant place, full of charm, in which to find that sense of peace and refreshment.
