## DESCRIPTION

# Florida Modern Masterpiece - Tropical Luxury and Sculptural Architecture.

This extraordinary Florida Modern-style residence embodies the excellence of contemporary living in the heart of Miami, offering more than 510 m<sup>2</sup> of interior and exterior spaces perfectly designed for an exclusive lifestyle. Nestled in a lush tropical landscape, the property provides absolute privacy and tranquility, creating a sophisticated retreat where design and nature blend harmoniously. Floor-to-ceiling windows flood the rooms with natural light, enhancing an open floor plan that elegantly connects the interior to the outdoor spaces, ideal for entertaining in style. A distinctive element of the residence is the spectacular double-height dining room, with ceilings

as high as 6.7 meters, enhanced by a dramatic suspended staircase that defines the home's architectural identity. The kitchen designed by Armazem represents a perfect balance between aesthetics and functionality, enhanced by a custom wine cellar and designed to integrate with the spacious living area. The interior spaces open onto a refined covered poolside terrace, complete with: fully equipped outdoor kitchen integrated ice maker environments ideal for year-round living and entertaining. With 5 bedrooms and 6 bathrooms, this residence offers the perfect balance of comfort, design and prestige, designed for those who desire an iconic home surrounded by tropical beauty.
