Exclusive sea view and great potential: prestigious property within walking distance of the beach

A few steps from the crystal clear waters of the First Beach of Golfo Aranci, in the heart of one of the most exclusive resorts of Gallura, we propose a property of rare availability: a prestigious property with panoramic sea views, located in a central and strategic position, a short distance from the port and all services. The property is spread over three levels and is distinguished by its large surfaces, extraordinary brightness and versatility of spaces. Currently, the first two floors host an elegant commercial exhibition, characterized by airy and easily modular spaces, ideal for representative activities or high-profile showrooms. The upper level accommodates a refined mixed solution, where the commercial component harmoniously integrates with a private residence consisting of a living room, separate kitchen, three bedrooms, two bathrooms and storage room. The outdoor spaces further enhance the value of the property: large terraces overlooking the sea, a livable veranda and a generous private garden create an exclusive setting, perfect for welcoming clients or living moments

of absolute relaxation. The property is completed by a plot of land that offers interesting prospects for expansion, increasing the residential and investment potential. Thanks to its unique configuration, the property lends itself to multiple uses, from commercial to residential to charming receptive, representing an ideal opportunity for investors looking for a distinctive solution in one of the most sought-after destinations in Northern Sardinia.
