DESCRIPTION

MIRANO CENTER, PRESTIGIOUS DUPLEX

Mirano - In a central location, inside a charming historic building of the early 1900s, expertly restored and renovated, comes to life a property with unique features, where elegance of yesteryear, prestige and modern comfort come together in perfect harmony. The absolute protagonist is the 50 sqm living area, flooded with natural light throughout the day thanks to the excellent exposure and numerous windows. The exposed beams,

present in all rooms, give warmth, character and timeless elegance. The distribution of spaces has been carefully designed to ensure maximum well-being and optimal functionality in daily life. A double garage and a parking space complete the property. A living solution that combines comfort, privacy and high standards of energy efficiency, ideal for those seeking quality and style in a central location. Request € 590,000.00
